

State of Utah
Department of Commerce
Division of Occupational and Professional Licensing

JON M. HUNTSMAN, JR.
Governor

FRANCINE A. GIANI
Executive Director

J. CRAIG JACKSON
Division Director

To All Utah Licensed Deception Detection Examiners:

A recent change to the General Rules of the Utah Division of Occupational and Professional Licensing (Title R156-1-308a) changed the expiration date of all Utah deception detection examiner licenses from July 31 of each even-numbered year to November 30 of each even-numbered year (2006, 2008, etc).

Therefore, any active deception detection examiner license, as of July 31, 2006, will be automatically extended an additional four months to November 30, 2006.

DOPL will not send out new license certificates reflecting the extended expiration date.

Instead, this letter serves as official documentation of the extension and must be kept with your blue license certificate. Additional copies of this letter are available at www.dopl.utah.gov. (Look under "DOPL News" in the bottom right corner.)

CONTINUING EDUCATION: Please be aware that the continuing education cycle for deception detection examiners also changed to coincide with the new renewal cycle. Therefore, for the current cycle only, licensed examiners have an additional four months to obtain the required 60 hours of continuing education and to complete the required 25 deception detection examinations. The next cycle will run from December 1, 2006, to November 30, 2008, and every two years thereafter.

Renewal notices will be mailed to each licensee's address of record in September 2006. Questions regarding this extension may be directed to DOPL at 801-530-6628 or 866-275-3675 (toll-free in Utah).

Sincerely,

J. Craig Jackson
Director
